The total amount of the prize is 1200,00 euros (one thousand two hundreds euros), that will be equally divided in case of *ex aequo* .

The winner will be announced and honoured at the award ceremony at the Savoia Theatre of Campobasso, during the VI edition of the “Festivalpercussioni”, held by the “Lorenzo Perosi” Public Conservatory itself.

Art. 2 – Video contents

The video can be non-original, the music must be original: the jury will evaluate the musical content of the work and the correlation between audio and video.

The works must not exceed the length of 8 minutes.

Art. 3 – Conditions of participation

The competition is open to artists over 18 years old of age, with no restrictions based on nationality. The deadline for submitting the works is no later than 16 hours April 12th, 2015. Audiovisual files requirements

Each audiovisual file, stored in a DVD-ROM, must be properly labelled to facilitate the identification of the submitted work. A sealed envelope, containing both the title of the work and the participant's full name, must be attached to the submitted DVD.

The work's audio can be encoded in stereo or 5.1 surround formats. For the competition's purposes, however, it is mandatory to **exclusively** submit a video encoded with stereophonic audio.

If the winning track is encoded in a 5.1 surround format, the relevant audio channels will be requested.

The application fees are not refundable except in case the competition would not take place.

The titles of the works admitted to the finals will be announced as well on www.conservatorioperosi.it.

The evaluation of the competing works will be carried out anonymously.

The jury's decision is final. The jury may decide to award additional Mentions of Merit or Special Prizes.

Art. 6 – Prizes

The competition does not fall under the D.P.R. no. 430/2001 regulations, governing competitions and prize competitions, having as its goal the production of a work of art for which the awarding of the prize is a recognition of personal merit and therefore being in the exclusion case referred to in Art. 6, paragraph 1, letter a) of D.P.R. no. 430/2001.

The prize awarded to the winners will be subject to a withholding tax at the rate of 20%. The Organization will deduct the sum from each of the awarded winners. A non-Italian resident participant may provide the Organization with a tax residence certificate, issued by the competent authority of the State in which the individual claims to be resident, so that he will be able to pay the withholding taxes in his own

country. In case it would not be possible to provide the Organization with a proper certification, the taxation rate will be 38,5% for non-Italian resident participants.

Art. 7 – Acceptances and Copyrights

1. Signing the application form, the participant unconditionally and integrally accepts the following Regulations.
2. The candidate is the owner of the rights on the submitted work, but upon submission he agrees to grant the Organization the rights to use it for purposes of communication and promotion. The same applies in cases of publication, duplication and copy of the work on any support devices such as DVD/CD/CD-ROM, or the publication on the competition's website.
3. In applying to this call, the candidate guarantees the originality of the work/composition. In case of non-original video, the candidate must either provide a disclaimer of the work's author or certify that the video is public access.
4. The submitted works will be kept in the “Lorenzo Perosi” Public Conservatory of Campobasso.
5. Personal Data provided by the candidate will be processed in full compliance with Italian Law no. 675/96 (“Legge sulla privacy”) and subsequent amendment D.Lgs. no. 196/2003 (“Codice privacy”).

The candidate authorizes any television shooting, audio recording and distribution of the competing works for purposes of promotion of both the artists and the competition, without imposing any additional burden on the Organization and requirement for further authorization.

6. For any further information, refer exclusively to the text of the Call available at the www.conservatorioperosi.it website, under the *Premio internazionale “Marzio Rosi” – Composizione Audiovisiva* section.

All disputes are reserved to Italian jurisdiction and exclusive jurisdiction of the Foro of Campobasso.
